A repeatable website capability installed and reviewed by Lobbicore.

What this adds to your website

Add an easy to use help section with common questions, policies, and contact choices. Customers find answers faster and your team spends less time repeating the same information.

Who it is for

A strong fit for Ecommerce, Service Business, Information Website, Restaurant or Events, and Wholesale or B2B websites.

What is included

- Search common questions
- Find the right contact option
- Read important policies
- Get help from a phone or computer

How it helps your business

- Answer common questions faster
- Reduce repetitive inquiries
- Make support easier to find

Standard setup

Standard installation and configuration are included after compatibility approval.

Website compatibility

Available for eligible websites built and managed by Lobbicore. Compatibility is confirmed before installation.

Important to know

- Custom engineering and unusual integrations require a separate quote
- Third party subscriptions and usage charges are not included unless stated

How installation works

- Request a compatibility review. No payment is collected from the Marketplace page.
- Lobbicore confirms the website, scope, content, access, schedule, and final price.
- A developer installs the approved capability in a controlled test environment.
- The website owner reviews the result before release.
- Lobbicore verifies the live release and confirms ongoing support details.
