A repeatable website capability installed and reviewed by Lobbicore.

What this adds to your website

Add a simple review button or page that sends customers to the public review sites you approve. It gives happy customers a clear next step and keeps your review links organized.

Who it is for

A strong fit for Ecommerce, Service Business, Restaurant or Events, and Wholesale or B2B websites.

What is included

- Choose an approved review site
- Open a simple review request page
- Scan a code to reach the review page
- Follow clear steps to leave feedback

How it helps your business

- Make review requests easier
- Strengthen public visibility
- Keep destinations consistent

Standard setup

Standard installation and configuration are included after compatibility approval.

Website compatibility

Available for eligible websites built and managed by Lobbicore. Compatibility is confirmed before installation.

Important to know

- Custom engineering and unusual integrations require a separate quote
- Third party subscriptions and usage charges are not included unless stated

How installation works

- Request a compatibility review. No payment is collected from the Marketplace page.
- Lobbicore confirms the website, scope, content, access, schedule, and final price.
- A developer installs the approved capability in a controlled test environment.
- The website owner reviews the result before release.
- Lobbicore verifies the live release and confirms ongoing support details.
