A repeatable website capability installed and reviewed by LobbiCore.

What this adds to your website

Add banners and featured offers that appear and end on the dates you choose. It helps customers notice what you are promoting without requiring you to rebuild a page each time.

Who it is for

A strong fit for Ecommerce, Service Business, and Restaurant or Events websites.

What is included

- See current sales and specials
- Open a page with offer details
- Use offers on phones and computers
- Stop seeing an offer after it ends

How it helps your business

- Keep offers current
- Reduce manual website edits
- Create clearer campaign destinations

Standard setup

Standard installation and configuration are included in the monthly price after compatibility approval.

Website compatibility

Available for eligible websites built and managed by Lobbicore. Compatibility is confirmed before installation.

Important to know

- Custom engineering and unusual integrations require a separate quote
- Third party subscriptions and usage charges are not included unless stated

How installation works

- Request a compatibility review. No payment is collected from the Marketplace page.
- Lobbicore confirms the website, scope, content, access, schedule, and final price.
- A developer installs the approved capability in a controlled test environment.
- The website owner reviews the result before release.
- Lobbicore verifies the live release and confirms ongoing support details.
