A repeatable website capability installed and reviewed by Lobbicore.

What this adds to your website

Add a form for quotes, wholesale requests, applications, event registration, or another approved need. It asks the right questions and sends each request to the right place.

Who it is for

A strong fit for Service Business, Information Website, Restaurant or Events, and Wholesale or B2B websites.

What is included

- Answer the questions needed for a request
- Send the request to the right team
- Know when the request was received
- Reduce unwanted form messages

How it helps your business

- Collect clearer requests
- Reduce missing information
- Improve internal handoffs

Standard setup

Standard installation and configuration are included after compatibility approval.

Website compatibility

Available for eligible websites built and managed by Lobbicore. Compatibility is confirmed before installation.

Important to know

- Custom engineering and unusual integrations require a separate quote
- Third party subscriptions and usage charges are not included unless stated

How installation works

- Request a compatibility review. No payment is collected from the Marketplace page.
- Lobbicore confirms the website, scope, content, access, schedule, and final price.
- A developer installs the approved capability in a controlled test environment.
- The website owner reviews the result before release.
- Lobbicore verifies the live release and confirms ongoing support details.
