What this adds to your website

Create one website section for the social posts, promotions, and profile links you want visitors to see. It helps people move between your website and your social channels.

Who it is for

A strong fit for Ecommerce, Service Business, Information Website, and Restaurant or Events websites.

What is included

- Open your approved social profiles
- See selected social posts
- See current campaign highlights
- Know when social content is unavailable

How it helps your business

- Connect social and website audiences
- Keep important content visible
- Give visitors more ways to engage

Standard setup

Standard installation and configuration are included in the monthly price after compatibility approval.

Website compatibility

Available for eligible websites built and managed by Lobbicore. Compatibility is confirmed before installation.

Important to know

- Custom engineering and unusual integrations require a separate quote
- Third party subscriptions and usage charges are not included unless stated

How installation works

- Request a compatibility review. No payment is collected from the Marketplace page.
- Lobbicore confirms the website, scope, content, access, schedule, and final price.
- A developer installs the approved capability in a controlled test environment.
- The website owner reviews the result before release.
- Lobbicore verifies the live release and confirms ongoing support details.
